

POTTERY PLUS..

We are offering after school pottery classes
in your students elementary school.

Please visit Pottery-Plus.Com *(click Sign Up Now)*
for session information and class dates.

Students will learn all of the basic techniques for creating unique art with clay in a relaxed and fun classroom setting. Each session is 8 weeks long, \$100 per session and will be taught by Sue Witwer. We will build and glaze four projects each session. The students will host a art show for parents at the end of each session. A list of schools and class dates is available on my website at Pottery-Plus.Com
