Budget Update: \$4017.76, \$2000 holding for Wilson training.

Lisa Dowling: Update from Town Hall Meeting – 24 February - Dr. Joyner - Focus groups – “No teacher or student harmed.” Funding – subdivisions, impact fees, moneys can mixed. Millage reduced by half of a percent approximately \$10 million. We are two schools behind in the county as the ratio of student to school population continues to increase. Parents to write in and speak up for testing and millage. The whole presentation (36 slides) can be viewed on line. Testing – 3rd grade, 7th grade, mostly affected.

Principal Update - Christine Stephan: FSA writing test done last week 4th and 5th. After spring break FSA math starts. FCAT science (5th grade) still in use. Eagle Eye to have additional information. District website has additional information.

New Business/Questions and Answers: Survey 451 people. Closes 31 March. Electronic link to be sent out after Spring Break. Responses are great and parent improvements requests are ideal – more to be shared shortly (April 2015). Parents & PTO meeting for combining of ideas?

Professional teachers - TCE is being used as a model (from the district) for course instruction as we have had other teachers in the district visit to observe new math standards being taught in the classroom.
