

A BIG thank you to the HEAL (Helping Enrich Autistic Lives) Foundation for a generous grant allocated to support the special needs of students at Timberlin Creek Elementary! The grant will provide the speech and language program at Timberlin Creek Elementary Technology Materials for the Evaluation and Treatment of children with special needs.

MISSION: Inspiring, educating, and funding services for those affected by autism in our community.

VISION: Make our community the best place to live for those affected by autism.

To learn more about this wonderful foundation please check out their website at HealAutismNow.org

Sunday, April 28, 2019

7:30am – Registration

8:30am - Walk begins

You will be able to register to participate and create a fundraising team page via the link above, beginning in January. The event details are on that page now.

Over 2,000 attendees will join HEAL on a walk through the Africa Loop and Giraffe Overlook, then enjoy the HEAL After Party, with over 25 local resource vendors, music, face painting, bounce houses and more until 11:00am on the Great Lawn! Attendees can then enjoy the zoo for the entire day!
