

# 2015-2016

## TREAT 4 TROOPS

Treats 4 Troops is back! In years past, TCE has sent care packages to deployed troops. In response to our packages, military members sent letters, certificates, and pictures of appreciation. Students tracked the packages using a wall size world map. This year, we are excited to start this project again. The week of Veterans Day, we will be kicking off this community project with our first care package collection!

As of now, we need your help to start our contact list of the deployed military members who will receive our letters and care packages. If you know someone who is deployed, please complete the attached page and return to Coach Lane.

### **STOCKINGS FOR SOLDIERS** (MORE INFORMATION COMING SOON)

To send some love and appreciation around the holidays, we will be sending stuffed stockings to deployed troops. We will be collecting felt stockings, small gifts like snacks, candy, i-tunes gift cards, playing cards, and many more small "stuffable" items. FYI: Halloween candy is the perfect size to include in the stockings! We are also in need of monetary donations to cover shipping costs!

**Collection Dates:** November 9th-November 20<sup>th</sup> **Stocking Stuffer Night:** Tuesday, December 1st 6pm

## CARE PACKAGE RECIPIENT

Do you have a family member or friend who is deployed? TCE would be happy to add them to our care package recipient list ☺ Please complete this form, and return to Jessica Lane no later than November 20<sup>th</sup>.
