

ROCK ON WITH SUMMER READING! **at Timberlin Creek Elementary**

Timberlin Creek Elementary's Rock On with Summer Reading program will have children reading over our long break to avoid the summer slide many students experience. Help your child develop a love of reading and learning that lasts a lifetime. Encourage reading, visit the public library, talk about books, and most importantly, read with your child no matter how old he or she is.

TCE's reading requirement during the school year and summer is to read 4 or more days a week. First graders should read at least fifteen minutes at each sitting, while second, third, fourth and fifth graders should read at least twenty minutes. **Teachers will expect completion of the summer reading program at the start of the school year. Your encouragement is needed to help your child reach this goal and earn a free book.**

***This summer reading program is also posted on the Timberlin Creek school web site:
<http://www.tce.stjohns.k12.fl.us/>***

Participate and earn a prize or....

Reach your reading goal and earn:

* A participation prize

AND

* A free book of your choice

AND

* Your name goes into a drawing for a new Kindle

So how do you reach your summer reading goal?

Complete the BINGO sheet for your grade level. Turn in the BINGO sheet and any work associated with it to your new teacher in August.
