

# ABC'S OF VPK

**OPTIONS FOR VPK AT TIMBERLIN CREEK**

# WHAT IS VPK?

VPK is a FREE educational program created to prepare every four-year-old in Florida for kindergarten and build the foundation for their educational success. The VPK program offers each child an opportunity to perform better in school and throughout life by offering quality programs that include developmentally appropriate curriculum with a focus on early literacy skills, accountability, manageable class sizes, and increased teacher credentials. All eligible four-year-olds can participate in a VPK program option.

# WINGS

Working to Inspire and Nurture Growth for Success

# WINGS

This program blends students who are typically developing VPK age students with 3 and 4 year old students with varying exceptionalities, such as speech or language delay, developmental delay, visual impairment, hearing impairment or other such delays.

Students who are considered for this program are students who are independent, possibly near the cut off age to be eligible for kindergarten and ready to model classroom behavior for some of our students with special needs.

# How is the WINGS program different?

- WINGS classrooms are located in the school building.
- VPK students are models for students with exceptionalities.
- Students are eligible to purchase school lunch.
- Students will follow our resource schedule, art, music, PE, and media.
- Certified Early Ed Teachers who specialize in Special Education.
- Ratio - We currently have 14 students:1 teacher and 1 full time paraprofessional. There is also 1 paraprofessional who is shared between two classes. The ratio will vary depending on the number and the needs of our special needs students.

VPK is a great way to start your child on the road to being a life-long learner.
