

Welcome to Timberlin Creek Little Eagles VPK Information

2025-2026 School Year

What is VPK?

- VPK is a free voluntary program that prepares four-and five-year-olds for kindergarten.
- In VPK we deliver age-appropriate curricula, including but not limited to early literacy math and science standards.
- *It's okay to play in VPK!*
- We build on each individual child's, social, emotional, physical well being and educational development.
- Children will participate in active group learning activities to also develop fine hand and gross motor skills.
- VPK is a foundation for children to develop strong emotional and social skills and gain a love for learning that stays with the child for life.

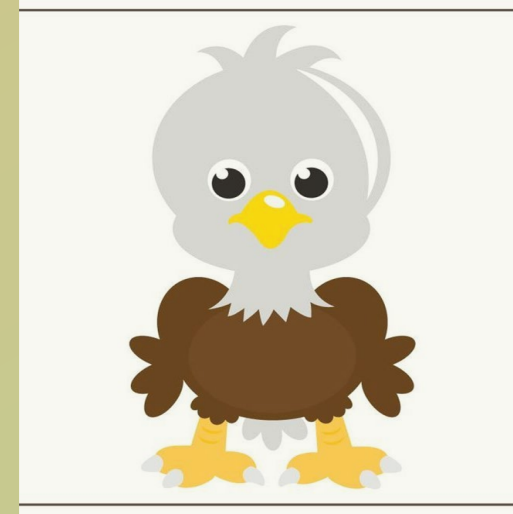

VPK at Timberlin Creek

- Little Eagles
- On Site Childcare Center for ages 2 years -VPK.
- Child Development Associate Teachers
- Ratio: 20 to 1 Plus one Teachers Aide

Little Eagles Learning Center
