

Chill Out With Summer Reading!

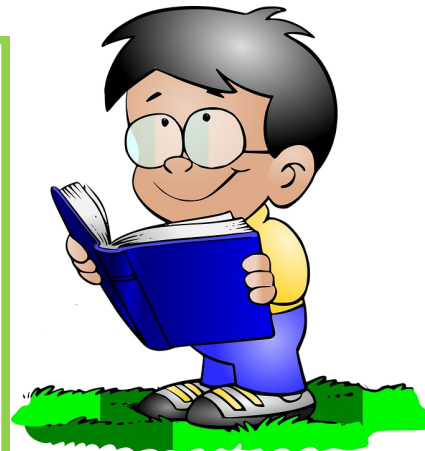

Check out these cool reading programs and chill out with
a summer full of reading fun!

Scholastic Summer Reading - Create an account for your child on Scholastic's Home Base. Kids can read books and stories, attend author events, interact with favorite characters, play book-based games and activities and even join dance parties! Get started at <https://kids.scholastic.com/kid/homebase/>.

St. Johns Public Library - Earn free books for participating in summer reading! Log reading time or complete missions through the ReadingSquared app on your phone. Printed logs are also available at any St. Johns County Library for those who prefer paper. A free book is earned for every six days of reading starting June 13th! Go to <https://sjcpls.org/> for details.

Did you know students can improve their reading skills by accessing Timberlin Creek's reading programs over the summer? Go to our **Student Links** page at <https://www-tce.stjohns.k12.fl.us/links/>. Choose either the Raz-Kids or IXL icon and have your child log in with his/her student id (SXXXXXX) and password.
