Dear Parent/Guardian,

The Florida Assessment of Student Thinking (FAST) is a progress monitoring system that is administered three times per year to track your student's progress in learning the Benchmarks of Excellent Student Thinking (B.E.S.T.) Standards throughout this school year. The purpose of this letter is to inform you that your student will participate in the second administration (PM2) of the Renaissance on the dates listed below. Your student's results from PM2 are for informational purposes only, and you will be provided with information about how to access the results after testing is completed.

Grade 2 ELA on Monday, December 4th	Grade 2 Math on Thursday, December 7th
Grade 1 ELA on Tuesday, December 5th	Grade 1 Math on Friday, December 8th
Kindergarten ELA on Wednesday, December 6th	Kindergarten Math on Monday, December 11th

FAST assessments are computer-adaptive tests taken on a computer or tablet. The questions get easier or more difficult depending on how the student responds, and each student will see different questions. If you or your student would like to review sample items at home, sample test items are available at <https://flfast.org/resources/renaissance-star/renaissance-star>.

The Star Early Literacy assessment typically takes less than 15 minutes to complete. The Star Reading assessment is usually completed in less than 20 minutes, and the Star Math assessment typically takes less than 30 minutes to complete.

If you have any questions related to this test administration, you may contact our assistant principal overseeing testing, Samantha Sawruk at Samantha.Sawruk@stjohns.k12.fl.us.

For more information about the Florida Statewide Assessments program, please visit the portal at FLFAST.org.

Thank you for supporting your student and encouraging him or her to do his or her best during this test administration.

Sincerely,

TCES Administration
