School Advisory Council Meeting Agenda

Monday, March 3, 2025

3:20PM to 4:20 PM in the Media Center/TEAMS

**Thank you for volunteering to serve on TCE's School Advisory Council.
We value your time, opinions, and dedication.**

I. 3:20 ~ Welcome – Ms. Gallagher

II. 3:25 ~ District Topic/Math Curriculum Maps – Ms. Andrea Dieckman

There are many ways to solve math problems. When our students approach a math problem, we want them to think about the numbers and the concepts needed to solve. The St. Johns website and TCE website have resources to help your child. The district site also has a "Year at a Glance" calendar. On this calendar there is a *Family Engagement* letter to show you how each topic will be taught along with other resources. On the TCE/Clever site you have access to DreamBox math and the Savvas website. On the Savvas website you can click on "tools" and you have access to a glossary, math tools (math manipulatives), and a game center.

III. 3:40 ~ School Topic/2nd Grade - Ms. Tople

Second grade students participate in March Mathness. It's a way for students to review math skills they've learned in a fun, friendly and competitive way. Classes compete against each other by answering math questions and shooting baskets for correct answers. The team with the most points moves on until there is a winner.

IV. 3:45 ~ Approval of February 3, 2025 meeting minutes – Ms. Dubet

Motion to approve minutes was made by Ms. Skala

Motion was seconded by Ms. Dubet

Minutes were approved

V. 3:50 ~ District Forum update – Ms. Errington

The last meeting was to discuss the process for the Superintendent search.

VI. 4:00 ~ Principal and Budget Update - Ms. Edel

We will finish the school year with \$28,292.92. Ms. Edel would like to hire tutors again next year using the same format from the beginning of next year. Data will be supplied to show how these tutors are helping and to determine if the return on the investment is beneficial.

Tutors are non-certified and don't have a teacher certification, however, only people with previous education experience were interviewed.

There have been 2 mou's voted on with Yes votes for 25/26. The mileage is a supplement and is divided into 26 paychecks and not paid as a lump sum. Non instructional will get about 6K from mileage. Instructional voted on a tiered/scaffolded model depending on total years of teaching. They are currently working on administrative amounts.

VII. 4:15 ~ Adjourn/Meeting reminder, next meeting Monday, April 7, 2025 – Ms. Gallagher

Ms. Gallagher motioned to adjourn the meeting.

Ms. Skala seconded the motion.

The meeting was adjourned.
